

# FINISH IT!

## THE FREE METHODIST CHURCH

### Re-Abolishing Slavery

*The Free Methodist Church was born out of a deep desire to see holistic freedom come to all people. This freedom included emancipation for those in chains. 150 years later, slavery still exists. There are more slaves in the world today than at any other point in human history. It permeates what we buy, eat, and wear. Slavery is not just “over there” - it’s also in our backyards.*

*We are FREE Methodists - Let's finish the work.  
Let's Re-Abolish Slavery!*

## FOUR THINGS WE CAN DO TO FINISH THE JOB:
